## FPI MANAGEMENT

# Application Criteria HUD (Project Based Section 8)/USDA/HFA

Thank you for choosing <u>VALLEY HEIGHTS APARTMENTS</u> as your potential new home. We are delighted that you are interested in our community. The following information is being provided to identify the evaluation process. For specific details, please refer to the site specific Resident Selection Plan (RSP) located in the leasing office. Copies will be provided upon request.

It is the policy of FPI Management to comply with all applicable federal, state, and local fair housing laws and not to discriminate against any person based on race, color, national origin, sex, familial status, religion, handicap, disability, sexual orientation, gender identity, marital status, age, source of income, military status, or any other basis prohibited by law.

It is the policy of FPI Management to consider any and all requests for reasonable accommodations or modifications when they are necessary to provide a person with a disability an equal opportunity to use and enjoy their apartment home and/or the community common areas. If you have any questions on how to submit a reasonable accommodation, or modification request, please contact the apartment community rental office and ask to speak with the Community Director.

The acceptance and processing of the rental application and its application fee does not constitute a guarantee of acceptance for housing. All applicants must meet the itemized criteria listed below to be considered for tenancy. All documentation requested during the application process must be submitted immediately. Failure to supply information or documentation within forty-eight (48) hours of the request may result in an application being rejected. Applications may take 2 to 4 weeks to process.

#### Rental Application

All persons eighteen (18) years of age or older, and those deemed to be an adult under applicable law with respect to the execution of contracts, will be required to complete their own separate application. Only applications that are fully completed and signed will be processed for consideration. An applicant's intentional misrepresentation or intentional omission of any information on the application will be sufficient reason for rejection of the application.

Additional items required for HUD/USDA programs:

- 1. Provide proof of Social Security Number(s) for ALL household members
- 2. Provide copies of Driver License, or picture ID
- 3. Provide copies of birth certificates or adoption papers for all household members
- 4. All emancipated minors must provide Certificate of Emancipation or Marriage Certificate
- 5. Complete Citizenship/Immigration Declaration for each family member and Family Summary Sheet (HUD Section 8)
- 6. Existing Tenant Search Applicants living in other HUD-assisted housing may apply to this property. However, the applicant must move out of the current property before HUD assistance can begin at this property. A search in the HUD Enterprise Income Verification (EIV) system is required to confirm status of each applicant household member receiving HUD subsidy. Both HUD's Public and Indian Housing and Multifamily programs are checked.

At the time the completed application is submitted, the applicants name will be placed on the waiting list chronologically. Placement on the Wait List DOES NOT imply acceptance or approval for housing.

#### Occupancy Guidelines

In accordance with the following guideline, the household composition must be appropriate for the apartment size in which the household is applying. If the household exceeds the maximum occupancy during tenancy, the household may be allowed to remain in the unit until the lease expires, or for a reasonable period of time after, before being transferred to a larger unit or move from the property. This is not applicable to the addition of adult occupants. Adding unauthorized occupants, without first obtaining management approval, is considered a violation of the lease.

BEDROOM SIZE	MINIMUM PERSONS	MAXIMUM PERSONS
Studio	N/A	N/A
1 Bedroom	1	3
2 Bedroom	2	5
3 Bedroom	3	7
4 Bedroom	N/A	N/A

#### Rental Scores

The approval of credit is based on rental scores. Rental scores are relied upon to estimate the relative financial risk of leasing an apartment to you. Scores are calculated using a weighted average of factors, and your rental score results from a mathematical analysis of information found in your credit report and application. Such information may include your bill-paying history, the number and type of accounts you have, open bankruptcies, unpaid utility bills, collection actions, charge-off, repossession, eviction histories, outstanding debt, income relationships (rent-to-income and debt-to-income ratios), and other attributes that reflect on your qualifications to meet the terms of your lease.

Because your rental score is based upon real data and statistics, it is more reliable than subjective methods of evaluating your information. Rental scoring treats all applicants consistently and impartially.

#### Income/Assets

Household annual income must not exceed the affordable program income limits of the apartment home. Income limits are available in the leasing office.

Every applicant shall provide proof of all income and assets which may be verified by a third-party. Adding unauthorized household occupants, without first obtaining management approval, is considered a violation of the lease. Additions to an existing household requires the income certification for the new member of the household, including third party verification. If there are changes to a household's composition or income prior to move-in, management must be informed immediately.

All households will be required to recertify their income and assets annually prior to their move-in anniversary date. If a household fails to comply, a notice to terminate tenancy will be issued and the household will be required to move.

#### Student Eligibility

This community is subject to certain student limitations. If applicable, the student status and eligibility of each applicant for the current calendar year must be certified and verified. Some students may not qualify for housing under one or more of the programs unless certain exemptions are met. Please check with the office staff for more detail regarding student status program requirements.

#### Rental History

Each applicant must have recent, consecutive, and a minimum of twelve months, verifiable third-party or mortgage payment history. Note: Applicants living with family members will not be considered as having third-party rental history. Applicants not having verifiable third-party rental or mortgage history may be required to provide additional references, including but not limited to personal references.

Applications may be denied for rental history that includes the following:

- 1) An outstanding debt to a previous landlord
- 2) A public record of an unlawful detainer action or an eviction
- 3) A breach of a prior lease including failure to pay rent timely and non-compliance with rules, laws and regulations

Domestic Violence, Dating Violence or Stalking - We will not reject an applicant based on a negative rental history or reference that is a result of Domestic Violence, Dating Violence or Stalking. Domestic Violence, Dating Violence or Stalking history must be documented and verified by a third party, and certification forms are required.

#### Criminal History

A criminal background check will be conducted for all persons eighteen (18) years of age or older. Felony convictions including Registered Sex Offenders will be denied per HUD and USDA-RD Regulation. Applicants may be rejected for the following offences: fraud, theft, drugs, assault and battery or a violent crime, or for other convictions of illegal activity. All households will be required to recertify annually prior to their move-in anniversary date. A criminal search will be completed annually on each household member 18 years of age or older during the annual certification process. If a household fails to comply, a notice to terminate tenancy will be issued and the household will be required to move.

#### Waiting List

The applicant waiting list is maintained according to unit size, program requirements and will remain open with the understanding that those who are listed are informed of its length, the policies and procedures for selecting individuals, and how applicants are added to the waiting list. Refer to the Resident Selection Plan (RSP) for further information.

- 1. If no apartment homes are available, an eligible applicant will be placed on the applicant waiting list.
- 2. In order to maintain a balanced application pool, the property may restrict or suspend application acceptance and close the applicant waiting list as detailed in the RSP. The property will also update the applicant waiting list by removing the names of those who are no longer interested in, or no longer qualify for housing as detailed in the RSP.

- 3. If the applicant waiting list contains enough applicants to result in a wait of more than one full year for applicable bedroom sizes, the wait list may be closed. The applicant waiting list may remain closed until it is reduced to less than a one-year wait for admission and as noted in the RSP.
- 4. During the period when the applicant waiting list is closed, the property will not maintain a list of individuals who wish to be notified when the waiting list is reopened.
- 5. The applicant waiting list is updated approximately every six (6) months.

#### Waiting List Preferences:

- a. Current residents who need to transfer to a different unit due to Medical, Safety, Underutilizing and Over-crowding as priority will take preference. Management will determine priority and non-priority and will follow the general rule: one in-house transfer to every two move-ins from the wait list.
- b. Working Families While complying with Income Targeting requirements, a preference will be given to applicant households in which the head, spouse, or co-head of the household is employed. This preference shall not be denied to households in which the head or spouse is 62 or older, or to a person with disabilities.
- c. Accessible Features and Accessible Unit requirements.

#### Pets - Elderly Properties (HUD/USDA - 62+ older)

If pets are accepted, applicants must fill out a Pet Application and follow the Pet Acceptance Criteria established for the community. Additional Pet Deposits are required.

A certification of insurance in the amount of \$100,000.00 evidencing liquid filled furniture coverage must be provided prior to bringing any liquid-filled furniture into the household.

Consideration may be given for extenuating circumstances where this would be required as a reasonable accommodation when determining the acceptability of tenancy. There may also be a grievance procedure in accordance with applicable state or federal program regulations for the resolution of disputes. A rejected applicant may not reapply for a period of six months.
